## **WELCOME!**

We would like to welcome you to Madison, Wisconsin, home of the UW Health Transplant and Organ Procurement Programs and host city for the 2010 NKF U.S. Transplant Games®. We invite you to attend Forward Focus, a symposium for organ donation and transplant professionals. Conveniently scheduled on Friday, July 30, we've created the perfect opportunity for you to visit our fair city, learn from experts in the fields of organ donation and transplantation while still allowing plenty of time for you to enjoy the opening weekend of the Transplant Games.

## **GENERAL INFORMATION**

Date: Friday, July 30, 2010  
9 a.m. – 3 p.m.

Place: Health Sciences Learning Center  
(Next to UW Hospital and Clinics)  
750 Highland Avenue  
Madison, WI

## **SYMPOSIUM FEE**

The cost of the symposium is \$100 for all attendees. The fee includes the cost of tuition, materials, lunch and refreshment breaks.

Registration must be made in advance, no later than Friday, July 23. You may send a check prior to the symposium, or bring a check to the registration desk on the day of the symposium. Checks should be made out to University of Wisconsin and if mailing sent to:

Mandy Roller  
UW Hospital and Clinics  
600 Highland Avenue, F8/177  
Madison, WI 53792-1735

## **CREDITS**

Category 1 Continuing Education Points for Transplant Certification (CEPTs) have been applied for through the American Board for Transplant Certification.

## **SYMPOSIUM ATTIRE**

Casual attire is appropriate for this symposium. Since meeting room temperatures and personal comfort levels vary, we recommend that you bring a sweater or jacket.

## **HOW TO REGISTER**

Online registration is available at [www.uwhealth.org/YesIWill](http://www.uwhealth.org/YesIWill). Click on the *Forward Focus Symposium* link.

All registrations will be confirmed via email. If you do not receive a confirmation, please call Mandy Roller at (608) 265-0275.

## **FOR FURTHER INFORMATION**

Questions about the symposium? Please contact Mandy Roller at (608) 265-0275 or at [aroller@uwhealth.org](mailto:aroller@uwhealth.org).

To learn more about the 2010 NKF US Transplant Games visit: [uwhealth.org/YesIWill](http://uwhealth.org/YesIWill).

The University of Wisconsin provides equal opportunities in employment and programming, including Title IX requirements.
