

The Golden Triangle Chapter is proud to announce the development of a chapter pin. It is a beautiful pin that measures 1 inch by 1 inch and displays the chapters logo; a leaf from the tree of life flanked on one side by the initials GTC and underlined by ITNS. Each member was given a pin at the recent “changing of the board” dinner meeting held on October 26, 2006. The Golden Triangle Chapter always gave it’s new members an ITNS pin. Now when new members join they will receive their very own Golden Triangle Chapter pin.

Actual Size of the Pin is a 1” square
